

**MISSION STATEMENT**  
**BEREAVEMENT MINISTRY**  
**NFL PASTORAL REGION**

*We, the Bereavement Ministry Committee of St. Michael & Sts. Peter & Paul Parishes, strive to bring the healing power of Jesus' presence to the grieving and to provide an opportunity for them to share their concerns and to share prayer.*

*We will place ourselves in the presence of the Lord and ask for strength and guidance. With His wisdom, we will encourage hope in those to whom we minister.*

*We will share the gift of ourselves by listening with a "caring heart" and "interested ear." We will respond with empathy and faith that enhances healing and wholeness.*

*The Bereavement Ministry is always open to new members!*
