

VOCATIONS COMMITTEE NFL PASTORAL REGION

The Vocations Committee of St. Michael & Sts. Peter & Paul Parishes is a group of volunteers that encourages people to pray and discern about vocations to church ministry. Some efforts that this committee has begun are the Traveling Cross program in Grade 5 and the Traveling Chalice program for families in which families pray for one week for vocations. The group has also adopted a seminarian, sponsors the praying of the rosary for vocations during the month of October, has a holy hour for vocations during the 40 Hours celebration on the feast of Corpus Christi, and offers the daily rosary after weekday Masses for vocations.

The group meets every two months. New members are always welcome.
