

STS. PETER & PAUL MEN'S GROUP

The Sts. Peter & Paul Men's Group meets twice a year, in March & September and on special occasions.

The purpose of the group is to encourage the men of the parish to support the church through acts of stewardship by donating their time and talents to improve the parish as a whole, and to encourage regular attendance at Mass on Sundays and Holy Days of Obligation.

In May and October the group sponsors a breakfast as a fundraiser and social event for the parish. The group also holds a softball tournament in the summer as a fundraiser.

Funds raised by the group are donated to projects to maintain the church building and grounds and for other causes as decided by the members.

Any man of the parish who is confirmed is invited to join the group.
